YULE Nignbo Yule Import and Export Co., Ltd.

COMPANY PROFILE

Ningbo Yule Import & Export Co., Ltd. is located in Ningbo, Zhejiang, on the coast of the East China Sea. This city, which combines the charm of y and the vitality of international ports, gives the company a unique geographical advantage. Relying on Ningbo Zhoushan Port, a world-class port with the highest cargo throughput in the world, the company has a natural advantage of efficiency and convenience in international trade transportation, and can quickly and safely transport goods to all parts of the world.

As an emerging enterprise founded on the concept of "win-win cooperation", Ningbo Yule Import & Export Co., Ltd. has established in-depth cooperative relations with thirty or forty high-quality factories with an open and inclusive attitude. These factories are distributed in multiple industrial clusters, and with exquisite craftsmanship and strict quality control, they continue to output high-quality products for the company. The company has a wide range of business scope, covering small household appliances, kitchen supplies, daily necessities and groceries, etc., and is committed to meeting the diverse life consumption needs of global customers, and moving forward steadily on the international trade stage with excellent products and services.
WALL- MOUNTED SERIES

YL-WF00FSB

- 36"&40"&50"&60"&70"Wall Mounted Fireplace
- Crystal stone /log/pebble fuel effect
- Flat Tempered glass front panel
- LED lights with digital led display
- Alternative manual control panel
- 2 heat settings
- Adjustable flame brightness (L1 to L5)
- Timer offers automatic shut off frome 1H to 8H
- Adjustable temperature seetings from 62°F to 82°F(17°C-28°C)
- Stone bed and flame whith 3changable led colour
- Remote control
- With saferty cut-off device

- Flame can be operated with or without heat

Modle No.	Heat Power	Prouduct Size (mm)	Packing Size (mm)	N.W.(Kg)	G.W.(Kg)
YL-EF22P	900W/1800W for 220V-240V/50Hz; 750W/1500W for 120V/60Hz	430×230×515	460×260×515	7.5	8.5

YL-EF22PM

- Electric Stove
- Log fuel effect
- two door decoration
- Adjustable flame brightness
- Two heat settings
- Manual control
- With tip-over switch
- Safety cut-off device
- Flame can be operated with or without heat

Modle No.	Heat Power	Prouduct Size (mm)	Packing Size (mm)	N.W.(Kg)	G.W.(Kg)
YL-EF22PM	900W/1800W for 220V-240V/50Hz; 750W/1500W for 120V/60Hz	590×291×639	632×342×685	17	18

YL-SF23

- Electric Stove
- LED lights
- Curved front
- Carbon log fuel effect
- The iron wire mesh fixed on door
- Adjustable flame brightness
- Manual control
- Safety thermostat cut off device
- Attractive 3 sided open design for full view
- With tip over switch

Modle No.	Heat Power	Prouduct Size (mm)	Packing Size (mm)	N.W.(Kg)	G.W.(Kg)
YL-SF23	900W/1800W for 220V-240V/50Hz; 750W/1500W for 120V/60Hz	585×280×559	627×317×525	10.4	14.5

YL-SF1318

- Electric Stove
- Log flame effect
- Flat front
- Black iron effect finish
- Flame effect can be used independently
- 2 heat settings option
- Safety thermal cut-off device
- Attractive 3-sided open design for full view
- With tip over switch

Modle No.	Heat Power	Prouduct Size (mm)	Packing Size (mm)	N.W.(Kg)	G.W.(Kg)
YL-SF1318	900W/1800W for 220V-240V/50Hz; 750W/1500W for 120V/60Hz	590×291×639	632×342×685	17	18

YL-SF25

- Electric Stove
- LED lights
- One door can be opened
- The tempered glass on both sides and fixed on door
- Adjustable flame brightness
- Manual control
- Safety thermostat cut off device
- Flame effect can be used independently
- Top &bottom & door & feet is plastic material.
- Body is metal material

Modle No.	Heat Power	Prouduct Size (mm)	Packing Size (mm)	N.W.(Kg)	G.W.(Kg)
YL-SF25	900W/1800W for 220V-240V/50Hz; 750W/1500W for 120V/60Hz	535×280×600	615×380×613	12.8	14.8

YL-SF25C

- Electric Stove
- Two door can be opened
- The tempered glass on both sides of the door
- Adjustable flame brightness
- Manual control
- Safety thermostat cut-off device
- Attractive 3-sided open design for full view
- Flame effect can be used independently
- Top &bottom & door & feet is plastic
- Body is metal
- With tip over switch

Modle No.	Heat Power	Prouduct Size (mm)	Packing Size (mm)	N.W.(Kg)	G.W.(Kg)
YL-SF25C	900W/1800W for 220V-240V/50Hz; 750W/1500W for 120V/60Hz	535×280×600	615×380×613	12.8	14.8
